Solution ART is a renewable and convertible term life insurance product with guaranteed initial and renewal premiums. Unlike traditional ART plans, where premiums increase annually starting at year 2, Solution ART premiums remain the same for the first (3) policy years. Starting at year 4, premiums increase yearly to age 85 and then remain level to age 100. At age 100 the coverage becomes fully paid-up.

Solution 10 / Solution 15 / Solution 20

Solution 10, Solution 15 and Solution 20 are renewable and convertible term life insurance products with guaranteed initial and renewal premiums. Premiums remain the same for each term. At the end of each term, the coverage renews automatically and the premiums increase. For Solution 10, premiums increase every 10 years until the renewal after age 75 and then remain level to age 100. For Solution 15, premiums increase every 15 years until the renewal after age 70 and then remain level to age 100. For Solution 20, premiums increase every 20 years until the renewal after age 65 and then remain level to age 100. At age 100, both coverages become fully paid-up.
