Data Source: Morningstar Direct - Category average and quartile ranking are based on segregated fund universe only

Fund Performance: Returns under 1 year are simple rates of return. All others are annual compound rates of return. All returns are calculated after taking expenses, management and administration fees into account. Past performance does not guarantee future results. Empire Life will endeavour to ensure the information presented is accurate and updated, but will not be held liable for inaccuracies

A description of the key features of the individual variable insurance contract is contained in the Information Folder for the product being considered. **Any amount that is allocated to a Segregated Fund is invested at the risk of the contract owner and may increase or decrease in value.**
