

Get expert medical advice about a surgery or health concern **from the comfort of your home.**

Best Doctors®

As the spread of COVID-19 continues around the world, doctors and hospitals are postponing elective surgeries in order to reduce exposure to the virus. While taking these precautions is necessary to protect yourself and healthcare workers, you may have questions about what a delayed surgery may mean for your health and well-being.

With Best Doctors you have access to the world's leading medical experts who can confirm if surgery is right for you and provide advice until your surgery is rescheduled.

Peace of mind from the comfort of home, with Best Doctors.
