

No one should face cancer alone

Has your life been touched by cancer? OnCallogic can help.

OnCallogic is a specialized workplace cancer support service for those who have been affected by cancer. It provides:

- Counselling sessions with cancer coaching specialists. You can talk about anything from pain management to communicating with children
- Information on how to navigate the healthcare system
- Helpful resources

Today, new treatments offer more hope than ever before— and the number of people surviving cancer has increased. Still, a cancer diagnosis can be frightening. And when one person has cancer, the saying goes, everyone who loves them does, too. Children in particular need help to understand what's going on.

Whether you have cancer yourself or you are a friend or family member of someone who does, the OnCallogic team is here to support you.

OnCallogic is included in your AssistNow EAP delivered by HumanaCare, at no additional cost to you. For a referral to OnCallogic, call HumanaCare at 1 877 234-5327.
