## About Teladoc Medical Experts

Teladoc Medical Experts is dedicated to helping members take control of their health and avoid uncertainty. Are you dealing with a medical challenge or need information to help you make the right decisions about your health care? Teladoc Medical Experts is here for you. Through various services, Teladoc Medical Experts complements the care of treating physicians. Teladoc Medical Experts provides expert medical reviews and advice so that you can make the most informed medical decisions.

## Top-ranked physicians

Teladoc Medical Experts carefully identifies and partners with the top practicing physicians worldwide, selected through a certified ongoing peer-to-peer polling process. There are currently more than 50,000 physicians in over 450 specialties and subspecialties in the Teladoc Medical Experts global database of expert specialists.

### Teladoc Medical Experts provides you, the member:

#### **Information that empowers**

Teladoc Medical Experts arms members with the right information—to help you make informed decisions about your health.

#### **A personal health care ambassador**

By simply contacting us, a Member Advocate (a Registered Nurse) becomes your personal health ambassador—to provide support and resources, and answer any questions you may have.

#### **The complete spectrum of health**

Teladoc Medical Experts addresses all conditions across the entire spectrum of health, assisting with virtually any type or degree of medical uncertainty.

#### **Convenience and privacy**

All it takes is one call or email to get help. You don't have to leave home and everything is completely confidential. Teladoc Medical Experts will even collect your medical records, imaging studies and pathology samples—at no cost to you.
