

# ADULT-SHORT QUESTION SET

- Use this question set for a Life Insured, insurance age 18-45, applying for life insurance coverage that is equal to or less than \$300,000 and/or Empire Life CI Protect coverage that is equal to or less than \$75,000.
- The maximum amount of life insurance coverage that may be applied for using the Adult-Short question set is \$300,000. This amount includes any inforce coverage that was applied for with Empire Life using the Adult - Short question set.

Example: Mary is approved for \$150,000 of life insurance after completing the Adult-Short Question Set. If at any time before Mary attains age 45, she decides to apply for an additional \$150,000 of life insurance coverage, she would be able to complete the Adult-Short Question Set again. However, if Mary decides to apply for an additional \$200,000 of life insurance coverage, she would have to complete Adult-Full Question Set.
