## **Commission and Compensation**

### **Empire Life Commission Schedule**

### **Commission Payment Schedule**

First year commissions are paid on a weekly basis. Policies must be settled by Tuesday 4:00 p.m. EST to have commission paid the same week.

### **Commission Statements**

Commission Statements are produced only if there has been positive activity in the advisor account.

You will see a negative sign on the statement beside any chargeback amount, indicating we have taken the commission back from the advisor. There will also be a chargeback of any applicable bonus.

### **Transferring an Advisor and their Block of Business between MGAs**

A [Policy Transfer Request form B-0072](#) signed by the advisor and the receiving MGA must be submitted.

Once the releasing MGA signs the [Policy Transfer Request form B-0072](#) we will transfer the business.

First year commission for any new business will be paid to the new MGA beginning on the transfer effective date. Renewal commission and service fees will also transfer to the new MGA.
