### Investment Segmentation (as at December 31, 2020)

### How risky is it?

The value of your investments can go down. Refer to the Information Folder for more information.

### Who is this fund for?

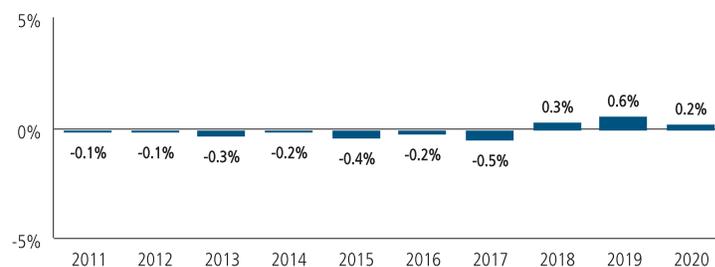

This fund may be right for a person seeking income, wanting to invest mostly in Canadian bonds and is willing to accept a low level of risk.

### How has the fund performed?

This section shows you how Class B of the fund has performed over the past 10 years. However, this doesn't tell you how the fund will perform in the future. Your actual return will depend on the fund class and on your personal tax situation.

### Year-by-year returns

This chart shows how Class B of the fund has performed in each of the past 10 years. In the last 10 years the fund was up in value 3 years and down in value 7 years.

### Average return

The annual compounded return of Class B of the fund was -0.07% over the past 10 years. If you had invested \$1,000 in the fund 10 years ago, your investment would now be worth \$993.

### Are there any guarantees?

This fund is being offered under an individual variable insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes a separate insurance cost for the guarantees. Refer to the Information Folder for details about the guarantees and the MER.

## How much does it cost?

The following table shows the fees and expenses you could pay to buy or sell units of the fund.

### 1. Sales Charges

Purchase fee option	What you pay	How it works
Front End Load (FE)	Up to 5% of the amount you invest.	<ul style="list-style-type: none"> <li>You and your advisor decide on the %.</li> <li>The Front End Load is deducted from the amount you invest. ### 2. Ongoing Fund Expenses

The Management Expense Ratio (MER) includes the management fee and operating expenses of the fund. The MER also includes the insurance cost for the Maturity and Death Benefit Guarantees. You don't pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder for details about the MER.

### 3. Trailer Commissions

Empire Life pays a trailer commission of up to 1.00% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you.

### 4. Other fees

Fee	What you pay
<b>Excessive Trading Fee</b>	Up to 2% of the value of units you sell, or transfer within 90 days of buying them. This fee is paid to the funds.

### What if I change my mind?

You can change your mind about your investment within two business days of receiving your confirmation notice. You have to tell us in writing that you want to cancel the transaction. We will assume you have received your confirmation notice five business days after it is mailed. The amount returned will be the lesser of the amount you invested or the value of the fund if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.

### 2. Ongoing Fund Expenses

The Management Expense Ratio (MER) includes the management fee and operating expenses of the fund. The MER also includes the insurance cost for the Maturity and Death Benefit Guarantees. You don't pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder for details about the MER.

### 3. Trailer Commissions

Empire Life pays a trailer commission of up to 1.00% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you.

### 4. Other fees

Fee	What you pay
<b>Excessive Trading Fee</b>	Up to 2% of the value of units you sell, or transfer within 90 days of buying them. This fee is paid to the funds.

### What if I change my mind?

You can change your mind about your investment within two business days of receiving your confirmation notice. You have to tell us in writing that you want to cancel the transaction. We will assume you have received your confirmation notice five business days after it is mailed. The amount returned will be the lesser of the amount you invested or the value of the fund if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.

### 2. Ongoing Fund Expenses

The Management Expense Ratio (MER) includes the management fee and operating expenses of the fund. The MER also includes the insurance cost for the Maturity and Death Benefit Guarantees. You don't pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder for details about the MER.

### 3. Trailer Commissions

Empire Life pays a trailer commission of up to 1.00% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you.

### 4. Other fees

Fee	What you pay
<b>Excessive Trading Fee</b>	Up to 2% of the value of units you sell, or transfer within 90 days of buying them. This fee is paid to the funds.

### What if I change my mind?

You can change your mind about your investment within two business days of receiving your confirmation notice. You have to tell us in writing that you want to cancel the transaction. We will assume you have received your confirmation notice five business days after it is mailed. The amount returned will be the lesser of the amount you invested or the value of the fund if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.

This chart shows how Class B of the fund has performed in each of the past 10 years. In the last 10 years the fund was up in value 8 years and down in value 2 years.

#### Average return

The annual compounded return of Class B of the fund was 3.52% over the past 10 years. If you had invested \$1,000 in the fund 10 years ago, your investment would now be worth \$1,413.

### Are there any guarantees?

This fund is being offered under an individual variable insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes a separate insurance cost for the guarantees. Refer to the Information Folder for details about the guarantees and the MER.

## How much does it cost?

The following table shows the fees and expenses you could pay to buy or sell units of the fund.

### 1. Sales Charges

### 2. Ongoing Fund Expenses

The Management Expense Ratio (MER) includes the management fee and operating expenses of the fund. The MER also includes the insurance cost for the Maturity and Death Benefit Guarantees. You don't pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder for details about the MER.

### 3. Trailer Commissions

Empire Life pays a trailer commission of up to 1.00% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you.

### 4. Other fees

Fee	What you pay
<b>Excessive Trading Fee</b>	Up to 2% of the value of units you sell, or transfer within 90 days of buying them. This fee is paid to the funds.

### What if I change my mind?

You can change your mind about your investment within two business days of receiving your confirmation notice. You have to tell us in writing that you want to cancel the transaction. We will assume you have received your confirmation notice five business days after it is mailed. The amount returned will be the lesser of the amount you invested or the value of the fund if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
