SOLUTION SERIES

The Solution Series from The Empire Life Insurance Company (Empire Life) is designed to provide affordable, flexible non-participating life insurance for a wide range of protection needs.

Solution ART

Solution ART is a renewable and convertible term life insurance product with guaranteed initial and renewal premiums. Unlike traditional ART plans, where premiums increase annually starting at year 2, Solution ART premiums remain the same for the first (3) policy years. Starting at year 4, premiums increase yearly to age 85 and then remain level to age 100. At age 100 the coverage becomes fully paid-up.

Solution 10 / Solution 20

Solution 10 and Solution 20 are renewable and convertible term life insurance products with guaranteed initial and renewal premiums. Premiums remain the same for each term. At the end of each term, the coverage renews automatically and the premiums increase. For Solution 10, premiums increase every 10 years until the renewal after age 75 and then remain level to age 100. For Solution 20, premiums increase every 20 years until the renewal after age 65 and then remain level to age 100. At age 100, both coverages become fully paid-up.

Preferred and Elite premium rates are available for coverage amounts of \$750,001 and up. These risk classes offer premium discounts on these coverages if the life insured meets our Elite or Preferred risk class underwriting criteria.

Solution 30

Solution 30 is a renewable and convertible term life insurance product with guaranteed initial and renewal premiums. Premiums remain the same for the first 30 years. Starting at year 31, premiums increase yearly to age 85, and thereafter, remain level to age 100. At age 100, the coverage becomes fully paid-up.

Solution 100

Solution 100 is a permanent life insurance product with guaranteed premiums payable to age 100 and guaranteed cash surrender values that start after the 4th year. At age 100, the coverage becomes fully paid-up. This product is specifically designed for clients who need lifetime protection at an affordable level premium to age 100.
