

THERE'S NO PLACE LIKE HOME!

Buying a home can be the single biggest decision and purchase you will ever make. For most buyers, that purchase involves a substantial mortgage and years of debt.

If covering your mortgage balance when you die is your main insurance need or part of a larger insurance plan, consider using Solution 20[®], Solution 25[™] or Solution 30[®] term life insurance from Empire Life on its own or add it to another policy.

This product offers simplicity, more choices and greater flexibility over group mortgage life insurance offered by traditional mortgage lenders.

The advantages and competitive features of Solution Series[®] term products from Empire Life are clear

- **You** own the policy, not your lender.
- **You** choose your beneficiaries and they decide how the money is used.
- **Your** coverage is portable. No need to re-qualify if you change lenders.
- **Your** coverage remains the same, even as your mortgage decreases.
- **You** keep your coverage for as long as you need it provided the premiums are paid.

Bundle life coverage with the **NEW** Empire Life Disability Credit Protect™ rider to achieve a competitive mortgage life and disability insurance solution with great rates
