Segregated Fund contracts are issued by The Empire Life Insurance Company ("Empire Life"). A description of the key features of the individual variable insurance contract is contained in the Information Folder for the product being considered. **Any amount that is allocated to a segregated fund is invested at the risk of the contract owner and may increase or decrease in value.** Past performance is no guarantee of future performance. All returns are calculated after taking expenses, management and administration fees into account.

Morningstar is an independent organization that groups funds with generally similar investment objectives for comparison purposes and ranks them on a historical basis. Morningstar Ratings reflect performance as of July 31, 2023 for Class A and G units and are subject to change monthly. The ratings are calculated from a fund's 3, 5 and 10-year returns measured against 91-day Treasury bill and peer group returns. For each time period the top 10% of the funds in a category get five stars, the next 22.5% four stars; the following 35% three stars; the next 22.5% two stars, and the bottom 10% one star. The Overall Rating is a weighted combination of the 3, 5 and 10-year ratings. The CIFSC categories and number of funds in each category for the standard periods are:
